Game Info

1. Short Description

Star Santa is a platform game in which you are Santa's own assistant and, after he has been banned by the magical animal control from using his reindeers, you need to collect the Bethlehem stars in order to fuel up his sleigh and help him to distribute the gifts.

2. Controls

- Gamepad
- Mouse And Keyboard

3. How to play

Collect all possible Bethlehem stars, control the player with the WASD keys and press the spacebar to jump.

W and S control forward and backward movement, while A and D are left and right.

If you fall outside the game or touch some prohibited objects, don't worry, you can try again as many times as you like.
